

**St. Luke School**  
**SMART Board Initiative**  
**Your Opportunity to Support Instructional**  
**Technology For Our School. . .**  
**An Invitation to Donate**

Our goal is to have an interactive whiteboard—called a SMART Board—in every classroom at St. Luke School for the beginning of the 2010-2011 school year in August of 2010. Forty classrooms from K-8 will total \$185,000 for complete setups in each room.

Your gift will help make this happen. Each student's family will be paying a \$50 SMART Board fee for next year, grants are being sought, and the St. Luke School staff and PTO are contributing to this effort. Donations for this initiative are tax deductible but check with your tax preparer for tax advice.

**WE NEED YOUR HELP!**

Classrooms will be appropriately labeled with the name of donors for SMART Boards or total room installations of all needed equipment. Please indicate below what you would like to contribute and attach a check or send the check to St. Luke School, 318 11th Street, Columbus, GA 31901.

Thanks for your support.
