Class novels are incorporated into the teaching of reading in the 3<sup>rd</sup> grade. Since students learn better when they can make marks in their own books, circle vocabulary, and highlight important information, parents will be required to purchase these books. To make the cost as reasonable as possible, St. Luke School will order the books and have them available in a bundle so that all books are the same version. The cost of the five novels will be \$20.00. Checks should be made out to St. Luke School.
