

## ST. LUKE SUMMER CAMP DESCRIPTIONS

### ALL SPORTS

Girls and boys who enjoy learning and playing sports will thrive in this camp. Young athletes will learn the basic fundamentals of different sports while focusing on a specific sport each day. Campers will practice basic techniques and rules for each sport through scrimmage play. Campers should bring a water bottle and towel to camp each day.

**Grades: Completed Kindergarten – 5th Grades / \$ 95**

### ARTFUL ANTICS JR

Budding crafters will bloom during Artful Antics camp. Campers will explore and create unique masterpieces through multiple mediums. For children who enjoy crafting the Artful Antics craft projects will provide campers with hours of active fun. Campers should bring an oversized t-shirt or smock to wear during camp.

**Grades: Completed 4K – 1st Grades / \$ 95**

### ARTFUL ANTICS

Budding crafters will bloom during Artful Antics camp. Campers will explore and create unique masterpieces through multiple mediums. For children who enjoy crafting the Artful Antics craft projects will provide campers with hours of active fun. Campers should bring an oversized t-shirt or smock to wear during camp.

**Grades: Completed 2nd – 5th Grades / \$ 95**

### BASKETBALL ELITE

Shoot and Score! This camp is designed to help players improve their overall technique. Campers will work on the fundamentals of dribbling, passing, offense, defense, layups, three point shots, free throws, and shooting off the dribble. Campers should bring a water bottle and towel to camp each day. (Girls and Boys Welcome)

**Grades: Completed 4th – 7th Grades / \$ 95**

### CHEERS AND CHANTS

Aspiring cheerleaders will cheer, chant and dance during this power-packed week. Campers will learn tips and techniques to rally a crowd, polish their motions, and shine on the sidelines. Luke the Lion will be a special guest and campers will perform at their very own pep rally. Campers should bring a water bottle each day.

**Grades: Completed 1st – 5th Grades / \$ 95**

### EXPLORE THE CITY OF EMBER – A Reading Adventure

Readers who love an adventure of the mind will dig into Jeanne DuPrau's book, The City of Ember in exciting and hands-on ways. Campers will explore through science activities and create a life-sized City of Ember. The camp mission is to solve the mystery that the "builders" created long ago and determine how to keep darkness from overtaking Ember.

**Grades: Completed 3rd – 5th Grades / \$ 95**

### FAIRY TALE PRESCHOOL FUN

Calling all pirates, princes and princesses! This fairy tale week will be full of magical activities like castle making, crown design, treasure hunting, map making, and more. A bounty of music, games, and activities for noble princes, princesses and sea-faring pirates will be sure to delight! Campers may come to camp in costume and should be toilet trained.

**Ages: 2-4 years / \$ 95**

### FINE ARTS JR

Children with a heart for art will love Fine Arts Camp. Campers will learn basic art fundamentals and create their very own portfolio of original art projects using a variety of mediums. Campers should bring an oversized t-shirt or smock to wear during camp.

**Grades: Completed Kindergarten – 2nd Grades / \$ 95**

### FINE ARTS

Children with a heart for art will love Fine Arts Camp. Campers will learn basic art fundamentals and create their very own portfolio of original art projects using a variety of mediums. Campers should bring an oversized t-shirt or smock to wear during camp.

**Grades: Completed 3rd – 5th Grades / \$ 95**

### FINE ARTS FOR MIDDLE SCHOOL

Tweens with a heart for art will love Fine Arts Camp. Campers will learn basic art fundamentals and create their very own portfolio of original art projects using a variety of mediums. Campers should bring an oversized t-shirt or smock to wear during camp.

**Grades: Completed 6th – 8th Grades / \$ 95**

### LEGO® LEAGUE AQUA ADVENTURE

Lego lovers unite! Campers will learn all about Lego League as they take on challenges to solve local and global water problems. Participants will practice and apply communication skills, build models, take a field trip, create group presentation boards and host a Lego Expo to share what they learn during this exciting week.

**Grades: Completed 2nd – 5th Grades / \$ 95**

### MATH-TAGIOUS CAMP: A Columbus Regional Mathematics Collaborative Camp

(706) 565-1474  
During this interactive, hands-on, minds-on good time with mathematics, campers will explore and solve problems, play games, and engage in activities where the fun and learning is contagious! It spreads easily from instructors to campers! MATH-TAGIOUS is designed for campers who love math or say they hate it. Campers will be encouraged to think outside of the classroom and see how math relates to real life through problem solving and math discussions.

St. Luke is honored to again host the Columbus Regional Mathematics Collaborative Camp on our campus. For more information contact CSU Continuing Education by calling 706-507-8070 or register by visiting [activ8er.com](http://activ8er.com).

**Ages 8–11 / \$ 75**

### MOVIE MAKERS

Lights, Camera, Action! Campers will create a movie on a topic of their choosing. Campers will combine iMovie and Shadow Puppet apps to create a movie with video clips, still images, internet images and a sound track. Movie makers may use their own iPad or a camp provided iPad. Movies may be uploaded to YouTube or saved on a flashdrive or PC.

**Grades: Completed 3rd – 5th Grades / \$ 95**

### PRIME POWER CAMP: A Columbus Regional Mathematics Collaborative Camp

(706) 565-1474  
Are you interested in sports, statistics, architecture, art, music, rockets, puzzles, games, technology? Then you are interested in math – whether you know it or not! Math is so much more than just numbers, worksheets, drills, and homework. Come explore these topics through hands-on activities and see how math connects to the real world.

Whether you love math or math is your least favorite subject, this camp is for you. St. Luke is honored to again host the Columbus Regional Mathematics Collaborative Camp on our campus. For more information contact CSU Continuing Education by calling 706-507-8070 or register by visiting [activ8er.com](http://activ8er.com).

**Ages: 11-14 / \$139 / Campers should bring a sack lunch.**

### SEW MUCH FUN

Future seamstresses and tailors will learn the basics of operating a sewing machine, stitching forward and backward, in straight lines and circles. Campers will also learn to read a pattern, lay it out, pin, and cut fabric. Throughout the week, campers will incorporate all of the skills they acquire to create a project they will keep!

**Grades: Completed 3rd – 5th Grades / \$ 95**

### SHIPWRECKED VBS: A St. Luke Church Vacation Bible School Adventure

Join us as we touch lives, change hearts and draw kids closer to the God who created them! Dive below the surface with "Shipwrecked", a week-long series of faith building fun. Each day VBS campers will go on an adventure with games, music, devotion, crafts and videos that will anchor their beliefs that Jesus carries them through life's storms.

**Grades: Completed 4K – 5th Grades / \$ 10**

### SING AND PERFORM LIKE A PRINCESS OR HERO

Young performers will study and develop as a Disney Princess and/or Super Hero. Campers will enjoy acting and singing, while learning songs and movement. Campers should come to camp dressed as princesses, princes and/or super heroes each day. A magical performance at the end of the week will be sure to delight parents and special friends.

**Grades: Completed 4K – 1st Grades / \$ 95**

### ST. LUKE'S GOT TALENT

Aspiring performers will learn, rehearse, polish and perform their skills. Campers should arrive at camp ready to perform one song. During the week, campers will prepare other songs from Disney, Broadway and current popular artists. Each performer will develop more confidence on stage through acting, moving, and engaging the audience. Before the final curtain, campers will perform for parents and guests to show off their skills!

**Grades: Completed 2nd – 5th Grades / \$ 95**

### SPORTS FITNESS STRENGTH AND CONDITIONING: An Athletes In Motion Camp

Tweens who want to improve overall fitness will engage in skills practice, workouts, exercises and games to build strength. Coaches will help campers learn the importance of developing a solid foundation of fitness and nutrition. This camp fine-tunes movement to prevent injury and keep athletes, future athletes, and even non-athletes active for life. Campers will leave with an understanding of the fun and benefits of being strong, athletic and healthy at every age. Campers will need to bring a water bottle and towel each day. Girls and boys with beginning and intermediate fitness levels are welcome. St. Luke is honored to host this Athletes in Motion Camp on our campus.

**Grades: Completed 5th – 8th Grades / \$ 110**

### JUNIOR STEAM CAMP FOR GIRLS

Come explore, make, and solve in the St. Luke Innovation Station STEAM Lab. Campers will discover how Science, Technology, Engineering, Arts, and Math make our favorite things so cool! Campers will enjoy hands-on activities that include making rainbow slime, building fruit circuits, crafting to make cloth unicorns and much more!

**Grades: Completed Kindergarten – 2nd Grades / \$ 95**

### STEAM CAMP FOR GIRLS

Come explore, make, and solve in the St. Luke Innovation Station STEAM Lab. Campers will discover how Science, Technology, Engineering, Arts, and Math make our world beautiful! Campers will enjoy fun, hands-on Chemistry applications with a natural connection to Art, use Math in building a rainbow light box, apply Engineering applications with electric circuits and test a variety of slime recipes during this exciting camp.

**Grades: Completed 3rd – 5th Grades / \$ 95**

### JUNIOR STEAM CAMP FOR BOYS

Come explore, make, and solve in the St. Luke Innovation Station STEAM Lab. Campers discover how Science, Technology, Engineering, Arts, and Math make our world exciting! Campers will explore the life of Pirates through building challenges and hands-on activities. Join us Mates, for a STEAMY FUN week on the High Seas!

**Grades: Completed Kindergarten – 2nd Grades / \$ 95**

### STEAM CAMP FOR BOYS

Come explore, make, and solve in the St. Luke Innovation Station STEAM Lab. Campers will discover how Science, Technology, Engineering, Arts, and Math make the world go around! Campers will explore robotics through hands-on activities that include a group drone project, engineering building basics and using circuits to solve real world challenges.

**Grades: Completed 3rd – 5th Grades / \$ 95**

### STEAM INTO SPACE

Become an astronaut and engineer in training for the week! Campers will learn about the history of space flight and the future of space travel. Campers will design, build, and create different types of rockets, lunar rovers, and tools that could help future space exploration. This cosmic week will engage and challenge campers to bring their ideas to life in a STEAM lab environment.

**Grades: Completed 5th – 7th Grades / \$ 95**

### ST. LUKE CHURCH SUMMER CAMP: An Overnight Camp

*Hosted by the St. Luke CORNER KIDZ Ministry*

This exciting off-campus, overnight camp is designed for fun-filled spiritual growth. Campers will have the opportunity to be mentored by Christian counselors, participate in daily devotions with their peers, and be challenged to deepen their relationship with God. This camp is a great opportunity for children to strengthen their faith, while enjoying both indoor and outdoor camping activities. Campers who register will receive packing guidelines and be transported via charter bus to Camp Lee in Anniston, Alabama.

**Grades: Completed 3rd – 5th Grades / \$ 450**

### VOLLEYBALL – READY, SET, SERVE!

Girls who want to learn the foundational and basic skills to grow as players will benefit. Campers will work on the proper techniques for serving, passing, setting and attacking, offensive and defensive play. The camp will focus on individual and team play through scrimmage games and other fun ways to practice their skills. Campers should bring a water bottle and towel to camp each day.

**Grades: Completed 3rd – 7th Grades / \$ 95**

### WHEN I GROW UP PRESCHOOL FUN

Preschool friends discover what it takes to be a fireman, fashion model, soldier, doctor, and more. Campers will complete career craft projects, learn from special grown up guests, use amazing tools, dress-up and more! Campers may come to camp in costume and should be toilet trained.

**Ages 2 – 4 / \$ 95**

### JR WRESTLING FOR BEGINNERS

This American folkstyle wrestling camp is for all beginner wrestlers with less than 2 years of experience and will focus on technique. Junior or "novice" wrestlers will practice and gain experience to improve their technique by breaking down the finer points of basic moves. Campers will also learn aspects of conditioning and nutrition that will help them be successful wrestlers. Campers should bring a water bottle and towel to camp each day. (Boys Only Camp)

**Grades: Completed 1st – 4th Grades / \$ 95**

### WRESTLING FOR BEGINNERS

This American folkstyle wrestling camp is for all beginner wrestlers with less than 2 years of experience and will focus on technique. # INTRODUCING

Join the **FUN** and **EXPERIENCE** the St. Luke difference during **ST. LUKE SUMMER 2018**.

Campers will enjoy adventures in art, music, science, math, sports, and much more! The St. Luke campus will be alive with activity as campers experience the St. Luke Innovation Station STEAM LAB, take the Ministry Center Stage to perform, fine tune their wrestling moves in our new Wrestling Room and improve their athleticism on the court! **ST. LUKE SUMMER** is open to children from 2 – 14 years of age. Please see individual camp descriptions for details about pricing and age/grade requirements.

**ST. LUKE SUMMER** is presented by the St. Luke Church CORNER KIDZ Children's Ministry and St. Luke School. We are honored also to host several camps presented by the Columbus Regional Mathematics Collaborative and Athletes in Motion.

**ST. LUKE SUMMER** is open to all interested children in our community! Welcome to **ST. LUKE SUMMER 2018!**
